The screenshot shows the AWS Marketplace interface for the Citrix seller profile. The browser address bar displays the URL: <https://aws.amazon.com/marketplace/seller-profile?id=fb9c6078-b60f-47f6-8622-49d5e1d5aca7>. The AWS Marketplace header includes navigation links for Categories, Delivery Methods, Solutions, Migration Mapping Assistant, Your Saved List, Partners, Sell in AWS Marketplace, Amazon Web Services Home, and Help. The Citrix logo and name are prominently displayed at the top of the seller profile. Below the logo, there is a link to "Visit the Citrix Website". The main content area shows "Citrix Products (30)" with a pagination indicator showing "1 - 10". A red arrow points to the "Select desired VPX" button, which is located above the product listings. The first product listed is "NetScaler ADC VPX - Customer Licensed", which has a 4-star rating and is sold by Citrix Systems, Inc. The second product listed is "NetScaler ADC VPX Platinum Edition - 200 Mbps", which has a 0-star rating and is also sold by Citrix Systems, Inc. The product descriptions for both NetScaler products are visible, highlighting their capabilities as web application delivery controllers.
